

## RugVista Appoints Anders Matthiesen as Chief Operating Officer

RugVista Group AB announced today the appointment of Anders Matthiesen as Chief Operating Officer and he will join the company's management team once he starts on October 4<sup>th</sup>.

Anders Matthiesen has spent the past 10+ years driving operational efficiencies and enhanced user experiences across a range of industries such as oil & energy, financial services, and consumer goods. He joins from the global jewelry brand Pandora where he spent the past five years evolving the company's omni-channel strategy and supply chain. Before Pandora, Anders spent 5 years working with a range of clients to develop and optimize operational processes as a management consultant at Implement Consulting Group.

Anders received his degree in Economics and Business Administration and a master's degree in Supply Chain Management from Copenhagen Business School.

"Anders is a perfect addition to the RugVista team with his broad and extensive background driving operational excellence topics as well as post-order customer experience enhancement", said CEO Michael Lindskog. "We have an ambitious growth agenda and maintaining operational excellence plus continuously developing our world-class customer experience will be key to long-term success."

"Joining RugVista is an exciting new opportunity where the company already has a solid base from which we can develop world-class operational processes", said Anders Matthiesen. "RugVista has a bold long-term strategy, and I am looking forward to working with everyone to help materialize those ambitions."
